SCHOLARSHIP CRITERIA MODEL

Since the number of potential applicant youth will exceed the availability of scholarships, the following selection criteria will be used to ensure that the neediest youth are helped. The criteria for such nomination will include:

1. The student is eligible to enrol in a school in the district.
2. The student is nominated by community leaders
3. The student is not currently being sponsored by another agency.
4. The student has full support from parents/guardians to remain to complete the schooling.
5. The student has parents/guardians who are unable to contribute any significant amount to the education of the child.
6. At least one of the student's parents/guardians must participate in the monthly community empowerment program to improve their life skills.

To maintain their entitlement to scholarship funding in subsequent years the following criteria will apply:

1. The scholarship holder must have demonstrated acceptable attendance levels during the current year.
2. The scholarship holder must have demonstrated acceptable behaviour levels.
3. The scholarship holder must have demonstrated acceptable levels of scholastic achievements during the year.
4. The student regularly participates in the associated sport, life skills and community empowerment activities organised for scholarship holders.
5. There has been no significant change in economic situation of the parents/guardians nor are such funds available from an alternative source for the student.
6. At least one of the student's parents/guardians remains involved in the monthly community empowerment program.
